

GRASAG-UEW - Gender Summit: Health Screening & Walk

GRASAG-UEW Women's Commission in collaboration with the University Health Directorate, Gender Mainstreaming Directorate, UEW-HIV/AIDS Unit and the HPERs Department is organising an all-in-one event dubbed **GENDER SUMMIT—Health Screening and Walk** for students, staff and the University community.

The programme is under the theme:

A Healthy University Community, a Healthy Nation

There will be health screening on the following diseases: **breast and cervical cancer, prostate cancer, hepatitis B, syphilis, blood group and HIV**. In addition, there would health related talks on several subjects. It is absolutely *free* for all.

GRASAG-UEW-WOCOM is, therefore, extending its invitation to all and sundry to be part of this wonderful programme scheduled as follows:
